

4 March 2020

Yrs 7 & 8 Parents/Guardians

Dear Parents/ Carers

The TCS6 Student Union is organising an event in aid of Sports Relief for students of Years 7 and 8 to participate in.

Sports Relief is a charity that takes on the world's most pressing problems and raises money through sports. They take on problems such as homelessness, mental health stigma, giving a child a good life, poverty and injustice. It focuses on giving support to the most vulnerable people within the UK and around the world. This is a charity that TCS6 are passionate about and by raising money we can help sports relief do amazing things for these people.

Students will be able to choose to take part in a football tournament, a trampolining/dance or a netball tournament. Students are asked to donate a £5.00 entry fee to take part in the event and a sponsorship form is attached for any additional fundraising.

The event will take place on Friday, 13 March 2020 between 1pm and 3.15pm. Completed permission slips and your child's £5 entry fee need to be handed in to the sixth form centre by Wednesday 11 March so that teams can be organised for the event.

We really hope that your child is able to participate in this event so that together we can raise money for this amazing charity.

Kind regards

TCS6 Student Union
